December is the month for many things: snow, winter sports, ugly sweater parties, seeing friends and family, and giving back to those who are important in your life. We hope that Chestnut Ridge Park can be a part of your holiday gift giving this year. Take the spirit of "Giving Tuesday" and consider donating to your local park this December. In addition to knowing that you have checked something off of our list, your tax deductible donation will also be noted with a hand-written thank you letter, mention of your contribution on/near the item purchased, and two complimentary wristbands to be used during the 2016 Mountain Music Concert Series.\* Donations can be made via credit/debit card, cash, check, or money order. For additional information or to make a donation, please call (304) 594-1773. Thank you!

*\*Donation must be \$20 or more to receive complimentary wristbands.*

**Trim a Tree Event!** This year we will be planting a young Christmas tree along the edge of the lawn near the office. We encourage you to come out and help us decorate **Sunday, December 13th from 1p-3p**. We are expecting a big jolly fellow from the north to stop by for photos (bring your own camera). Kids will be able to create an ornament for our tree and one to take home. Hot cocoa and candy will be available. We will be accepting a \$5 donation per participant to help defray costs. Sledding will be available if weather permits. We hope to see you then!

**New store hours!** As we swing into the winter months our store hours will reflect the seasonal changes. Starting now and going through March 1, 2016, we will be open from 9:00a-5:00p seven days a week. (Formerly 9:00a-7:00p on Fridays and Saturdays). Hours are subject to change for days with special events. The office will occasionally remain open later for night sledding. Please check our Facebook page for winter extended hours announcements.

Chestnut Ridge Park is open 12 months of the year. If you have joined us for **sledding** in the past, we hope you continue to do so in the future. If you haven't we hope you will consider doing so. However, we would like to draw your attention to some new changes. This year is the first year we will begin to charge for winter recreation. We will still have sleds and saucers for rent, but we will also be charging a \$2/day fee for access to the sled slope. Cabin, RV, and tent reservations will receive a pre-determined number of complimentary passes during their stay. This small charge will allow us to keep the campground running more smoothly in months where we struggle to keep the lights on. We thank you for your understanding and support. Happy Holidays from our families to yours!
